How many wanks do you think you could get out of Maddy? "I hope your readers can spare me at least one," pleads Leeds girl Maddy (23). "I'd like to be there in the flesh while you do it. I'd rub my tits and clit while you tugged at your cock and then stick my arse or my tits or whatever you like in front of your jerking cock!"

MADDY

**Carla,
Staffs**

They loved the fact that an older woman was so horny

beadies off her, watching her every move as she crossed and uncrossed her legs, giving them a flash of her stocking tops.

We went to a club with the lads and Carla ended up dancing with all of them. I could see them feeling up her peachy round arse and, as the night wore on, rubbing their crotches up against her. Carla was loving it!

After a few bottles of wine, Carla was so fucking horny we all had to go back to the apartment.

Carla ended up snogging one of the lads while his mates slid their hands up her dress and played with her wet cunt.

I've never seen her so horny - she was panting and her eyes were rolling in her head.

They took her dress off and started to grope her massive tits and finger her cunt and arse.

Then they carried her to the bed and one by one she sucked their thick cocks. The lads were grunting, "Suck my cock you slutty MILF!"

They loved the fact an older woman was so horny.

I went out to buy more wine and when I came back what a sight greeted my eyes. Carla was on all fours with one of the guys face-fucking her and the others crowded around her back end, arse-banging her with an empty wine bottle.

When they pulled it out her arse was gaping and one of the lads shouted that he was going to fuck the MILF's arse.

The rest of them cheered as he rammed his meaty cock up my wife's bum. Then he fucked her roughly while the lads took photos on their phones.

They all had a go, either spunking up her or spraying their hot thick cum all over her arse. They even phoned their mates back home to boast about what they were doing.

By now Carla was getting

split-roasted. They never gave her a moment's rest before the next in line fucked her mouth, cunt or arse. At one time she had every hole filled with young hard dick.

After over an hour of Carla getting fucked, the boys got her to kneel and then stood round her, their cocks all rock hard again. They told her to suck their cocks and one by one they shot their thick hot spunk into her face.

These boys were really heavy cummers so her face and hair was absolutely covered. "Take that you dirty MILF," they said to her and took more pictures of my wife splattered in their goo.

I must say they really did use Carla. Only the other day she told me she'd love guys to treat her like that again.

She is a real fuckslut, for sure.
Steve, Staffs.

DOUBLE ENTRY BOOKKEEPING!

We always knew our Accounts man Dominic had a head for figures! It seems that, twenty-five years ago, when the legendarily po-faced penpusher, our longest serving member of staff, wasn't defrauding the company, he was doing a bit of bean-counting of a different kind. Surrounded by booby Escort models, including eighties icon Aunty Jayne, it looks like the stylishly-gusseted receipt-collector suffered no penalty for early withdrawal. Like that little offshore account of his, Dom hoped these pics would remain under wraps, but the truth must out!

Immigration's not all bad – what with cheap plumbers, cheap Polish beer and cheap cock-hungry Eastern European birds, it's less a case of send the buggers back than get them over here and bugger them. Ode to Jackie from Scotland

In a magazine/ A joyous surprise/ A beautiful picture/ Of someone I recognise.

DEAR JULIA

A gorgeous lass/ With a smile so pretty/ Sitting there/ Showing a titty.

Sitting so pretty/ And so bold/ They should have given you/ The centrefold!

Glancing down/ A shapely thigh/ The gorgeous lips/ Which between them lie.

Work it so it's moist and wet/ Make it really juicy/ Then take my knob/ And put it in your pussy.

Jackie, Scotland

Pump away/ With rhythmic thrust/ Make you cum/ I feel I must.

Pump the fanny/ Make it tickle/ Fill it right up/ So spunk will outward trickle.

Let's get together/ And spend a day/ Sucking and fucking/ All the way.

REAL WIFE SEX

Michelle &
Gill, Yorks

Spice up your marriage with
some chili-hot lesbo loving.
Hubby Mark did just that...

My wife has always been highly sexed and after a few marital problems, she had an affair with someone at work. I was angry with her at first but soon realised that I had to bring some spark back into the relationship.

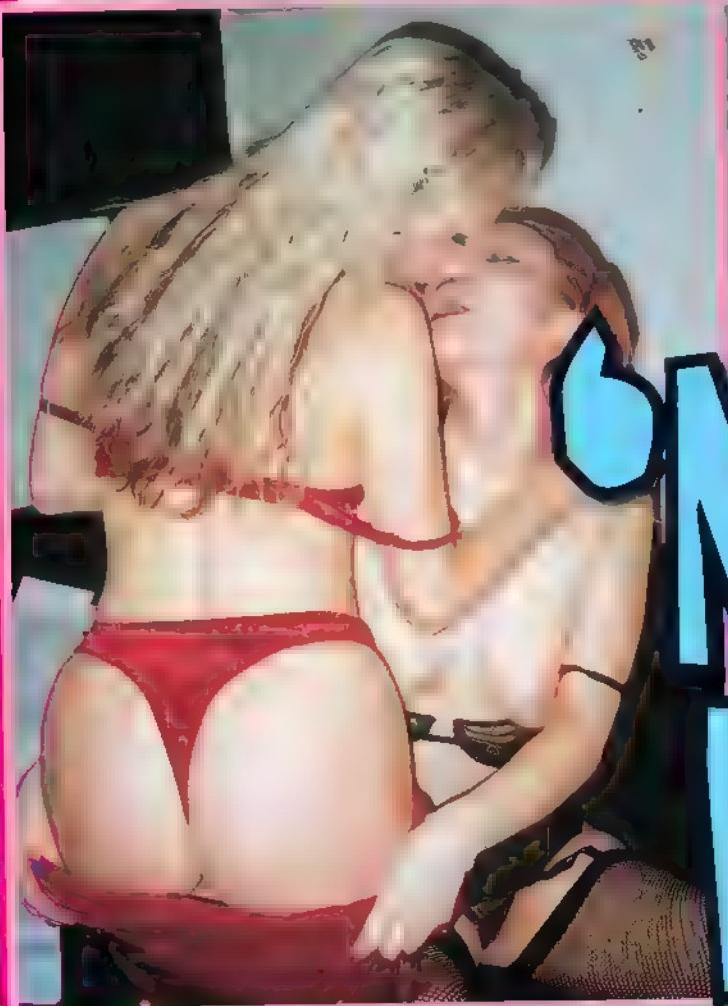

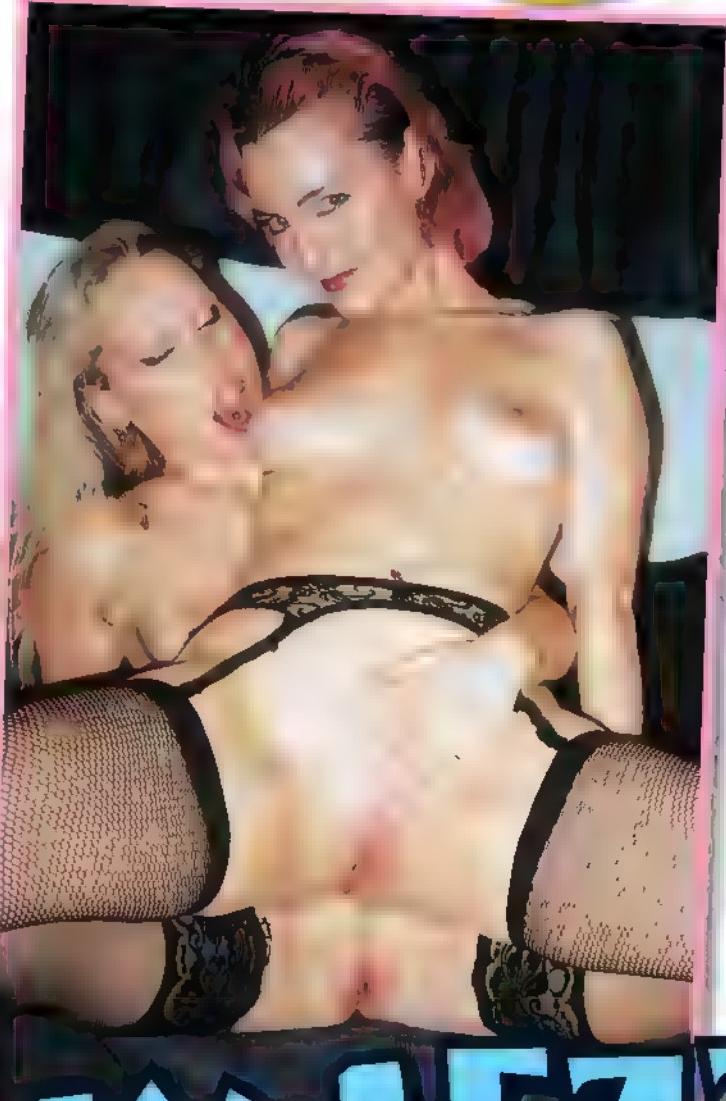

I admit I had been preoccupied at work and had let our sex life slide and this was a good opportunity, although painful, to start again. I wanted to fuck my wife as much as I had done in the first year of marriage, but with more exciting scenarios. After all, we weren't kids any more where just the act of sticking a dick in a pussy was enough to get us off.

It was around now that we started to buy your magazine, to give us ideas and to see how other people spiced up their love lives. Every month we'd look at the girls, especially the readers' wives, and wank over their saucy secrets.

A few weeks later, Michelle came home from work saying she had met a

great new member of staff, Gill. They had a fag together on their break and had got chatting. Gill had just left her husband and as Michelle and I had nearly broken up, this gave them something to talk about – namely the uselessness of married men.

Michelle told me that Gill had said that if she wanted help in the bedroom she was more than game. Then she whipped out her mobile, pulled down her top and quick as a flash took a picture of

MYLEEZ
HEAVEN

her smiling face and her braless tits.

Michelle showed me the picture Gill had sent her on her phone. "She told me to ask you if I thought she was hot... and if you do, she'd like to come round and teach us a thing or two."

Well, she was hot all right, with big, firm tits like ripe melons and large pink nipples. I didn't want to let on to my wife exactly how keen I was to get my hands on that luscious tit flesh so I said, repressing a grin, I was happy to try anything that might help our marriage.

It was all set for

Continued on p. 78

Wednesday night. Gill came round for a meal and some drinks. I couldn't keep my eyes off her and neither could my wife. Gill was a very highly sexed woman. The way she ate, drank, just the way she held herself was horny. By the time we'd finished the first bottle of wine I was struggling to hide my erection.

Not much got past Gill though. With a smile and a sideways glance at my crotch as I put the bottle in the kitchen, Gill asked my wife if we all wanted to go upstairs now. Just try and stop us! I thought.

First Gill put on a sex show for the pair of us. I was trembling with excitement as, opening her blouse, she unhooked her bra and thrust out her large breasts,

She licked her fingers clean

massaging them with her left hand while her right hand teased her pussy through her soaking panty gusset.

Her nipples were really hard and as she pulled and pinched them she couldn't help but let out a soft moan. With a sudden gasp and a spasm she came all over the bed. Michelle and I were near to cumming as well just from watching her. We looked at each other and grinned.

As the last ripples of orgasm faded, Gill's face was a picture, then she broke into a gentle smile. She moved towards Michelle, and beaming down at her, eased her down to the bed and spread her legs further apart before moving my wife's gusset to one side and gently touching her fingertips against her moist pussy. Scooping up some of her own juices Gill brought a finger up to her tongue, closing her eyes as she licked it clean.

Gang banged

After appearing in Escort vol 29 no 6, with a story about my holiday antics when I fucked a young lad, I had loads of letters from admirers and pussy-hungry young lads.

I replied to all of them and I will be meeting quite a few in the coming months.

However one cheeky young lad aged 19 wrote asking to fuck my hairy pussy while I was dressed up for him. He said, "that his uni teacher looked a bit like me."

We had the meeting in the bar at a hotel near Colchester after a few phone calls. I also told him that if he wanted to bring a friend with him then he could as it would add to the fun and keep me going.

I was in the bar with my husband Andy when the three (yes, three!) boys walked in. I said hi to them all – Ian who had made the contact, Tom and Kenny.

The boys were all nicely dressed and very polite to me saying how nice that I looked. I had played the teacher role with grey skirt, white blouse, and knee length boots.

After a few drinks the boys were telling me how excited they were and asked if they could all fuck me, or at least watch and learn from an older woman.

I had had a few glasses of wine and I promised every one of them a treat – they could do whatever they want-

ed to me and cum in or on me. Tom asked if they could spit roast me and I replied, "Of course you can."

We were all very excited by this time and we all got in the lift to our room for the night.

When we got to the room I asked the three boys to undress and stand in front of the teacher, they all did and two of them had normal cocks that were fully hard and Tom had a cock that turned upwards at the end.

I dropped to my knees and started playing with two and sucking one off, and generally teasing the young firm cocks within my grasp.

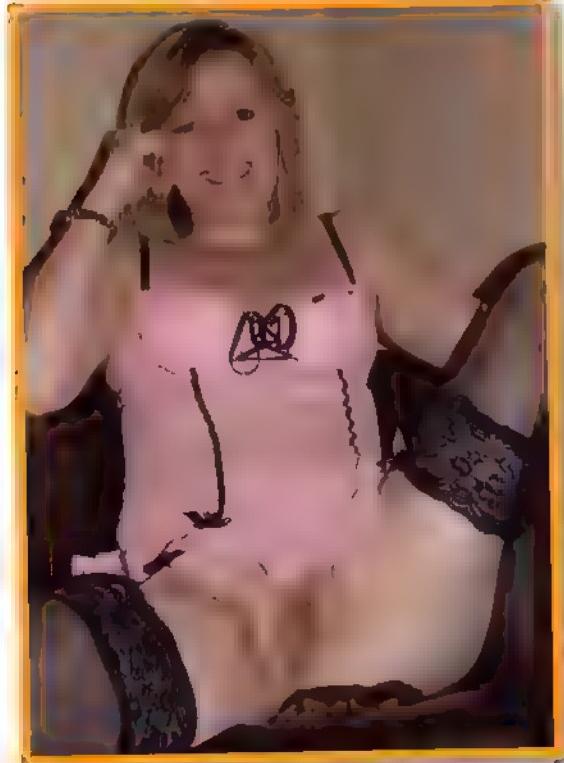

hairy pussy. I guided his head towards it and he started to lick my very wet cunt and do a pretty good job I must say.

I lay back on the bed and let the three young studs pleasure my body.

My pussy was getting well licked by Tom and he was stuffing fingers in my twat and wanking me to my first huge orgasm. I came quicker than normal, but then again I don't normally have three young studs and a husband all over my body.

Tom got me in the doggy position and started to fuck me while I took it in turn to suck off Ian and Kenny. I

It was without a shadow the best night of sex ever

Andy my husband got behind me and started playing with my tits and took them out of my pink playsuit that I had on.

I wanked Ian and Kenny over my tits while Tom watched. Kenny came first over my tits followed shortly after by Ian with a loud grunt and a full load of spunk over my little tits.

I then concentrated on Tom's bendy cock and wanked him quickly while sucking his balls in my mouth. Job done – he sprayed young cum over my face and hair.

After that the boys undressed me so it was just my pink baby doll outfit and hold-ups that I had on. I let Kenny take my knickers off and have first view of my

turned to Tom and asked if he was enjoying roasting me. This continued for a while and my body was on fire and I was soaking wet, but fuck it was good.

Tom then turned me on my back and started to fuck me with his bendy cock – the pleasure was amazing as the tip of his cock was rubbing the top walls of my pulsating pussy – it was sheer bliss.

I started to cum again and I thought it would last forever. My arse was bucking up and down on the bed only getting kept in place by Tom's cock.

My husband Andy straddled my face and then spread my legs as far as they would go and brought

them up towards my shoulders.

I was now in submission and my pussy was exposed to my three new lovers, I could not get out of this position even if I wanted to, but fuck, I didn't want to.

My head was spinning with pleasure and I could not wait for the next pair of hands or cock to touch me.

One after another they all fucked me hard and quick while I was helpless to move, and I loved every second.

Kenny came first, then Tom, and finally Ian. There was no rest between my orgasms either as they just shot through my body at every thrust.

The boys moved round and my husband Andy was next to fill my pussy with cock, I remember saying that I loved him and thank you as we came together and he emptied his load beside the rest of cum that was in there.

The boys let go of my legs and I could only lie there and relish what had just happened.

It was without a shadow of doubt the best night of sex ever and I just lay there looking at four men that had just fucked me for the duration of the night.

Everyone had an excellent night, and boy, we will do it again!

Raith rover

I've just come back from a shift on the North Sea oil rig I work on to the most amazing sex I've ever had.

My old lady's always been the horny type, but this surpassed anything she's ever done before.

I walked into the house in the middle of the afternoon expecting to find Shelly in the kitchen fixing lunch but she wasn't there. I called out her name and heard her call back from upstairs, so up I went.

I walked straight into the bedroom to be confronted by a sight I don't think I'll ever forget. On the bed, on her hands and knees, was a fit,

young blonde, stark naked with a huge dildo sticking out of her arse!

Shelly was kneeling up on the bed dressed in a black PVC cat suit with a zip that went from her neck right down to her pussy and round to her arse.

"Hi Todd," she said, smiling at me. "This is my new friend, Lisa. Say hello Lisa."

I splashed my cum on her ring and her sex pet licked it up

Lisa looked over her shoulder at me and smiled her greeting.

"Lisa's my sex slave for the day. Or should I say OUR sex slave!"

Having been stuck on a rig for months with not even the slightest whiff of fanny, my dick was all but tearing my trousers off by itself. I'd been fantasising about getting a nice blow-job off Shelly all the way home but now I thought I'd let Lisa take a mouthful!

"Sex slave, are you?" I said. "Then suck on this, eh?" and I pushed my cock into her mouth.

Lisa opened wide and I let her have the full length of my meat.

Shelly came over and squeezed my balls, and then she grabbed Lisa by her hair and said, "Suck his dick, you

filthy bitch, suck it all."

That was it for me, I shot all my spunk in her mouth as Shelly held her head over my cock, making sure she swallowed every last drop. Then she pushed her tongue into Lisa's mouth and told her she was a good slave.

I sat back and Shelly promised me a show I'd never forget. She fucked Lisa with an enormous strap-on dildo in her pussy and made Lisa finger her own

arsehole. She sat on Lisa's face and stayed there until the girl had made her cum. By then I was rock hard and ready for more.

Shelly told me to fuck her in the arse and ordered Lisa to kneel beside us as we fucked and get ready to suck my cock whenever I pulled it out, which I did after three or four thrusts.

I came, letting go of some up Shelly's anus and splashing the rest over her ring, which she demanded her sex pet licked up.

Fucking amazing! I can't believe I'm all excited about going back to work again, just for the hot sex I know I'll be getting when I come back!

How did this wife get all the cock she wanted? Easy – by appearing in Escort vol 29 no 12!

Dear Escort,
Graham, my husband, enjoys watching me play with other men and taking pictures and video of me fucking. He joins in later and I revel in the pleasures of having the attention of two men! It's heaven, no other way to

WIFE TOOK TWO LOADS

describe it. Yesterday we met up with a guy through the pages of Escort.

My young man arrived and I was there to greet him dressed in a white shirt (which barely contained me!) and a short cotton skirt. We chatted and had a drink and I made sure my breasts were barely covered and my legs exposed right to the top.

I invited him to inspect my new knickers. He lifted up my skirt and was confronted with my uncovered pussy. His excitement was clearly visible! I then asked him to play with my pussy, which he did, gently rubbing my pussy lips until my cunt became wet with arousal. We were on our way!

I asked him to take off his trousers – I could see the

bulge of his cock and the shape of his balls through his shorts. I pulled the band on his shorts forward and peered inside his shorts at his hairy cock. I then put my hand in and fondled his manhood and balls.

I continued to rub his shaft until he was at maximum size.

Then I started to suck him. His eyes closed and he looked as if he was in heaven! I pushed his shaft upright to expose his balls so I could lick them as well.

I guided his hand down to my pussy and he started to finger my clit until I was wet and writhing with pleasure. We both stood up and he got behind me, placed his throbbing cock between my legs and started fingering my pussy and fondling my breasts.

It was now time to move to the bedroom. He lay on the bed with his large

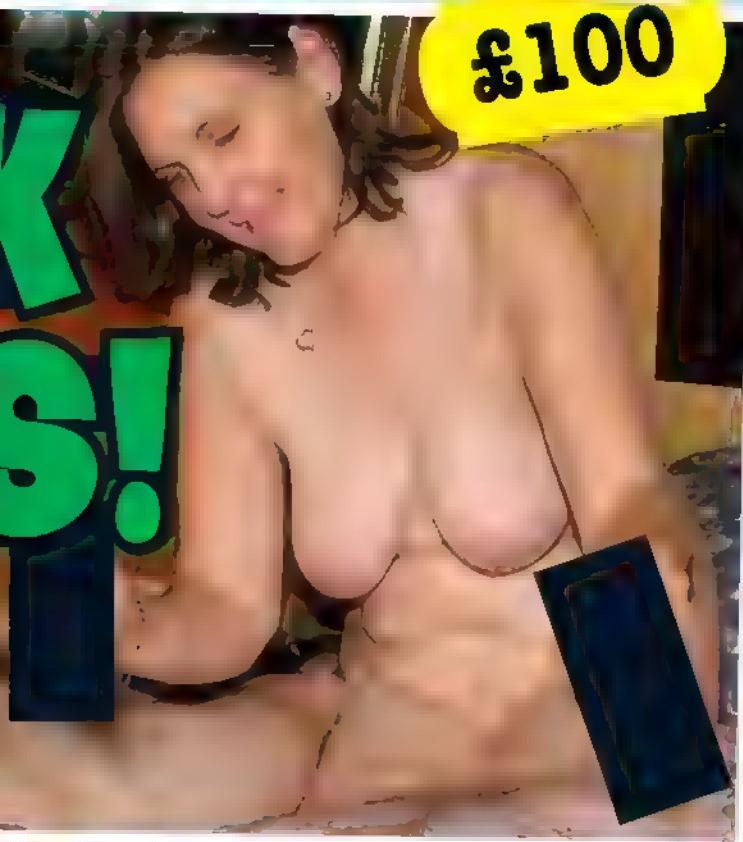

my delight, on my sticky, slippery pussy. We were both enjoying each other's bodies immensely.

By this time Graham couldn't wait any longer. He put the video camera on the tripod, raised my bottom and thrust his cock into me from behind as I was sucking my new mate's cock.

Then Graham moved me on to my back, put my legs over his shoulders and thrust his cock deep into my pussy.

He then started pulling his cock right out and re-entering me immediately. The feeling of a cock's initial entry at length over and over again is out of this world, I absolutely love it.

Eventually Graham's thrusting became intense and he shot a large load in my pussy. The sight of this made my friend, who I was wanking while I was getting fucked by Graham, come

hard cock looking very impressive. I sat astride it and started to rub my wet pussy up and down the shaft of his cock.

After doing this for some time I moved him on to his back and into the 69 position and started to suck his pulsating cock again. At the same time he was using his obviously experienced tongue, to

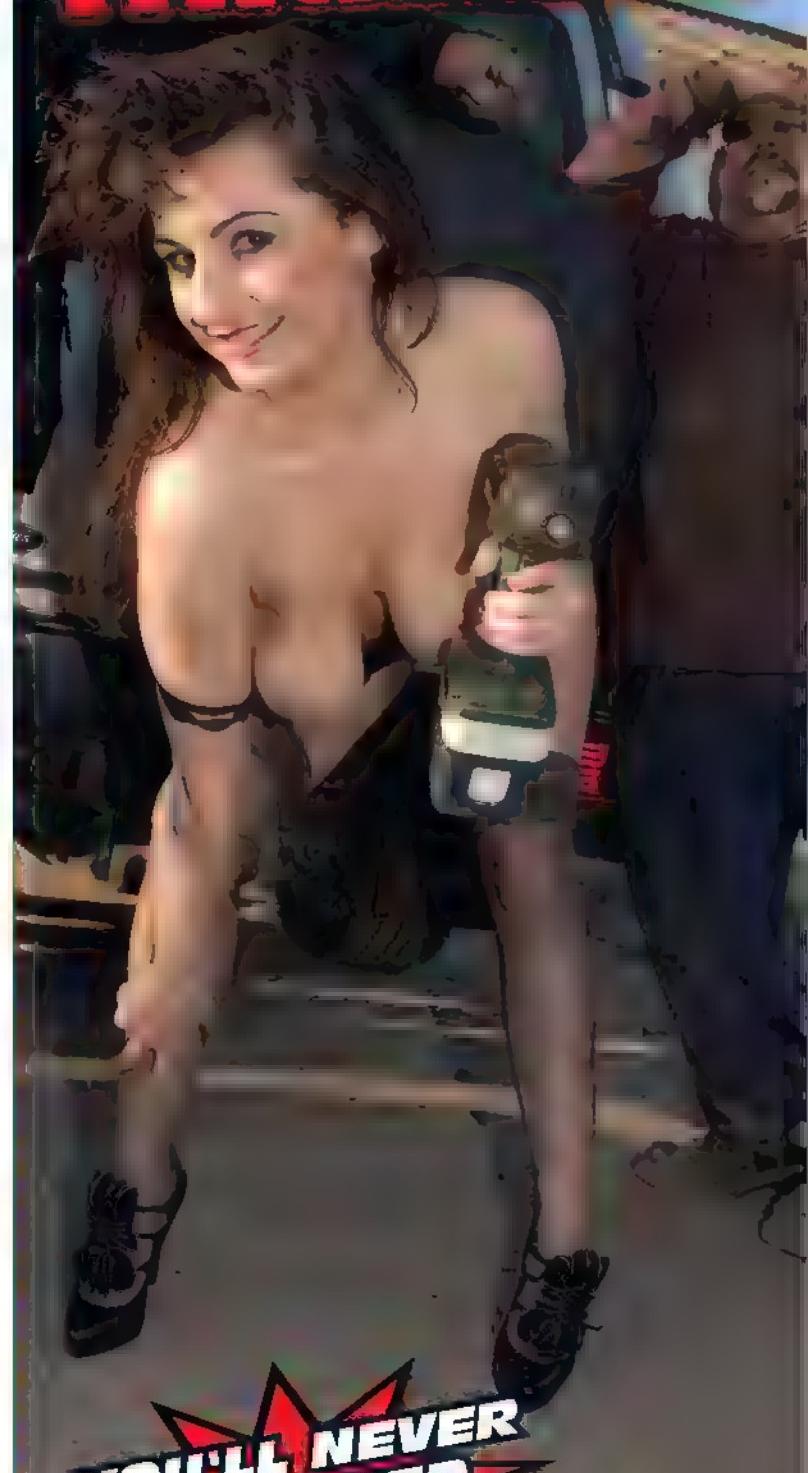

with a groan and give all he had with a spasm and a full load of hot cum on my tits.

After two hours of hot sexy fun we all relaxed on the bed with cum dripping from my pussy and my tits covered with our friend's cum.

This young man is definitely getting another invitation!

Jacqui, W. mids

This graphic contains several lines of text in a stylized, jagged font, all in pink. The text reads: "7.9 & DESERATE! LET'S SWAP DIRTY PICS!" At the bottom of this graphic, the word "DIRTY" is written in a smaller, bold font. To the right of the central photo, there is a vertical strip showing a close-up of the woman's face and shoulder. At the very bottom of the cover, there is a large, bold text area containing the words "TEXT: TO: LOOSE 89098". Below this, in a smaller font, it says "Texts cost £1.60 per msg received. REAL WIFE SEX

Mark's story continued from page 19

I'll never forget the look on Gill's face – all cheeky and impish, but with a look in her eyes that just screamed out that she wanted to fuck the pair of us right there and then.

I smiled encouragingly at Michelle and, after only a few moments hesitation, my wife tugged off her panties completely and opened her blouse to reveal her pert tits. She was wearing the skimpiest of bras which really pushed her boobs up and out.

I pushed her big soft tits out of her bra cups and ran a finger across her large pale pink nipples. Michelle made a soft moaning sound, which Gill shooshed, holding one finger to her lips while I licked around her luscious boobs.

Then the girls got down to it as I watched, goggle-eyed, from the edge of the bed, drinking in the smells of their sex!

They pressed their pussies together and even from where I was sitting I thought I could sense the heat from her sticky cunt.

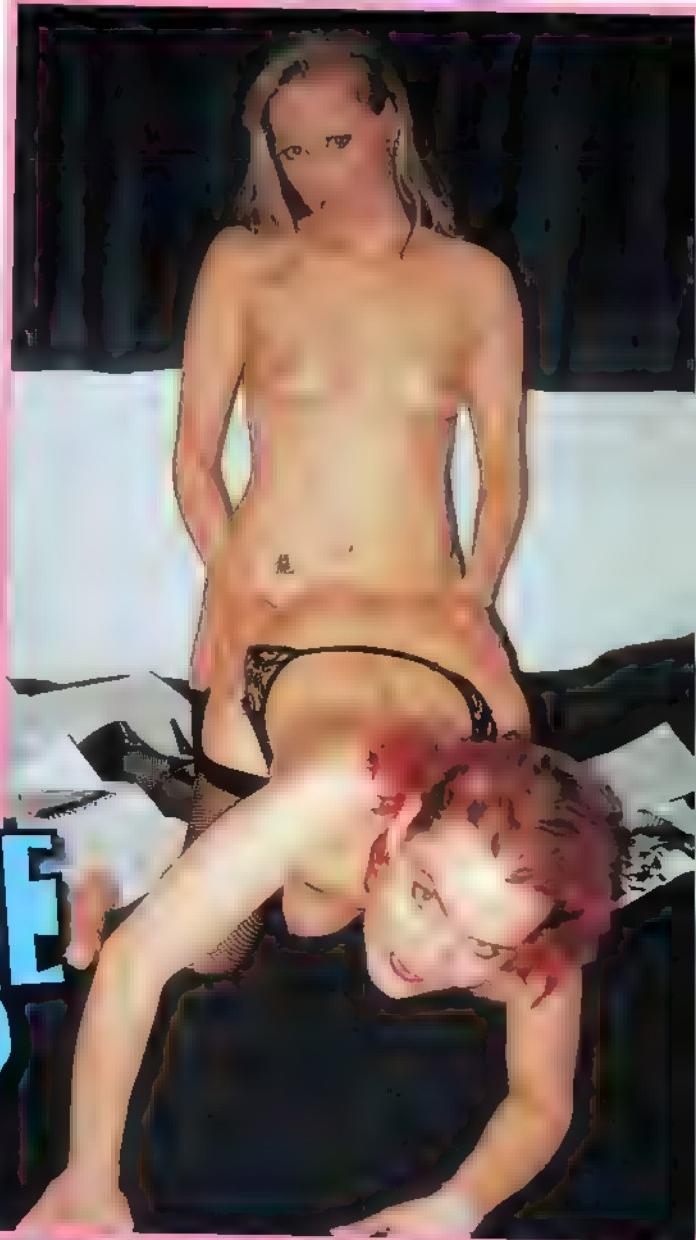

Intensely aroused, Gill started fingering Michelle again, rubbing her index finger against her slit while the index finger of Gill's other hand worked its

way inside her pussy. The flesh around her cunt was swollen, soft, and wet as their breasts squashed together and their lips met.

Michelle fingered my wife's nipples next. The visual stimulation of her long manicured nails tweaking and rubbing my wife's tits had my cock twitching and Gill's juices flowing like never before!

I loved watching them kiss. Sara's tongue was squirming like an eel in Michelle's mouth and her hands were all over my wife's tits and arse, rubbing, squeezing, pinching. Michelle was gyrating her groin on Gill's fingers and I could see her digits rubbing through the hair on her cunt, then on the inside of her lips, then all the way up her.

Gill's tongue was delicate and pointy and she

had a way of flicking it into Michelle's mouth that was incredibly erotic to watch and, judging by my wife's moans, to feel.

Michelle then moved to sit on the edge of the bed next to me and Gill kneeled between her thighs. Opening her pussy lips with her fingers, Gill's mouth watered as she looked at her new mate's juicy pink slit. Michelle was so aroused that her labia were swollen and shiny with moisture. Gill buried her face

In her crotch and began to lick at her silken folds, flicking her tongue over her clit and making her gasp as she stimulated the sensitive little bud.

Before long Michelle stiffened and her whole body trembled as she climaxed, filling Gill's mouth with her sweet sticky juices as her hips bounced on the bed.

Then the girls swapped places. Gill sat on the chair, and spread her legs wide. Michelle was keen to get started and dropped to her knees, then eagerly began to lick and suck on Gill's pussy. My wife's tongue dipped inside, poking its way as far inside as she could reach. Gill's pussy tingled and tightened as Michelle teased her with her tongue, and then, using her fingers, she nipped Gill's clitoris with her nails, making her gasp as blissful contractions rippled through her pussy.

Michelle pulled her fingers out of Gill's sweet-smelling pussy and gave them to me to suck. It tasted great and Michelle had to pull hard to get

My wife slid down the shaft

her hand out of my mouth. I sat back down on the edge of the bed and dropped my trousers instead. I began to rub my cock, careful not to cum which would have been easy seeing these two horny women who didn't seem to care if I was there or not feasting on each other's bodies.

Now all boundaries were down and Gill reached into her bag for a strap-on. I couldn't believe what I was watching as my wife was slowly impaled on the end of a young woman's cock! Gill lay on her back with the rubber cock standing straight up in the air and my wife slid down the sticky shaft, rubbing her boobs in ecstasy as it disappeared into her hole.

After she got a good hard fucking, her tits jiggling and her mouth an O of pleasure, I couldn't wait any longer and rushed over to the side of the bed, my hand a blur of wanking. The girls pounced hungrily on my hot cock. One tongue curled around my throbbing balls and a mouth sank on to my swollen glans.

I carried on wanking and with a grunt, my head spinning, I jetted spunk into Michelle's mouth. She was moaning as it hit the back of her throat and moaning as she made a big show of swallowing it, then opening her mouth to show me it had all gone.

That was just the beginning of an incredible night of shagging! ☺

Tracey loves to make love with her stockings on. "They make me feel so horny – I'll slowly and seductively peel them off for you or why not just rip a hole in the crotch and fuck me through that!" grins the nylon nut (27). If there's one type of man-made fibre Trace prefers above all others though, it's the stuff that comes out the end of your cock. "Shower me with your load, all over my stocking legs if you like! Belle of the balls

My husband can only cum if I suck his balls, which is okay because I come a lot harder if I'm behaving like a slut, and having him cum on my face as I suck both his balls into my mouth makes me feel very dirty!

The other day, while he was washing up, I slipped off my panties and started to play with my pussy in the front room, waiting for him, wanting him to catch me with my fingers up my snatch, wanting him to call me a dirty little slut.

But he was gone for ages and I got so turned on I started rubbing my finger round my arsehole, getting it all

Mates' rates

We met my wife Judy's old mate Cassie in a bar in town and when I saw her, my dick nodded its approval.

I was expecting to have to take a back seat as the girls reminisced about their early days, but after I'd bought the first round, Cassie seemed only to want to know about me.

She asked Judy all kinds of questions about me,

where we'd met, what kind of man I was, what was our first fuck like, what did I like sexually, what did I do to Judy in bed.

To my amazement, Judy told her everything, even telling her how I liked to have my bollocks squeezed when I come and that I really get off on squatting over her face with my nuts in her mouth.

By closing time we were all pretty drunk and we headed back to our place for some more booze. As we staggered off the bus, drunkenly laughing together, Cassie said she reckoned I had a big dick and Judy offered her a look.

Then she came over to me and started undoing my trousers. I was drunk enough not to stop her and together they got my cock out at the end of our street and began feeling me up, pulling on my dick and fondling my bollocks until I had a mammoth hard on.

By the time we got about five houses from my place, they were leading me along the street by my cock, laughing together and whispering between themselves. And then they ran off, going

moist with my pussy juices.

By the time he came in and found me, I was kneeling on the sofa with a finger up my arse and a finger up my pussy. But he didn't let me know he was there, not until he'd pulled my hand away from me and stuffed his dick up my cunt.

**Sam,
Taunton**

He rubbed his spunky dick on me

"You are the rudest little tart I've ever met," he said, spanking my cheeks, "and I am going to give you a good hard fucking."

I gripped the back of the sofa as he slammed his dick up my cunt. Reaching back, I slipped a finger back up my arse, acting as much a slut as I could.

"Fuck me, you big-dicked

bastard!" I cried. "Fuck my pussy, fuck my mouth, fuck my arse, I want your cock in all my holes."

Then he pulled his dick free from my sodden pussy and slammed it up my arse, pulling me down onto him by my hips.

When he'd had his way with my bum, he pulled out and stood there expectantly.

indoors and leaving me walking up the street with my dick out.

I walked into the front room to find them both stark naked on the sofa, their arms around each other, stroking each other's thighs.

Judy bent down over her friend's lap and began to lick

at Cassie's pussy!

Then she climbed onto the floor and knelt between her mate's thighs, licking and fingering her cunt for all she was worth, and all the while Cassie was staring at me, giving me a look that made me want to push my girlfriend out of the way and fuck this sexy

She guided my cock into her mate's sexy tight ringpiece

**Judy,
Lowestoft**

I turned round and played with my pussy, holding it wide open for him to look at as I stuffed three fingers up it.

"Get that dirty mouth of yours up here and wrap those lips round my cock," he said and I did as I was told.

I took him all the way to the back of my throat straight away, wanting to be as much of a slut as I could be.

He took his dick out of my mouth and held it away from me, exposing his tight ball sack. I knew what to do.

I sucked both his balls into my mouth, moaning my pleasure as he slapped his dick against my face.

When he came, his spunk shot up over my face and into my hair, leaving

me looking like a cum-hungry slut – I loved it and wanked myself to an amazing orgasm as my hubby rubbed his spunky dick around my mouth and tongue.

He's said that if I let him fuck another woman he'll let me be the filling in a dick sandwich!

Sam, Taunton.

Dog days

I am a thirty-year-old woman who was introduced to dogging at the age of seventeen – and I've loved it ever since.

The first time I was with my boyfriend – he couldn't wait to see me shag other men, or another woman, if the opportunity arose.

We pulled up next to a car. I could see there was a man and a woman inside. We sat there for ten minutes then the man got out of the car and asked if we wanted to join him and his wife.

My boyfriend and I got into

reached the cleft of her hairy pussy.

She began to moan when I fingered her. My boyfriend was amazed – he couldn't believe what was happening. The wife pushed her husband

His wife rubbed and sucked my tits

their car. The woman leaned over to me and started to kiss me while her husband reached down into my knickers.

He grunted with approval as he felt how wet my pussy was. It got even wetter when he went down on me while his wife rubbed and sucked my tits.

My hand slowly went down into the wife's panties till I

out of the way then kissed me right down my belly to my sticky pussy.

She licked me up and down like a lollipop while her husband knelt on the seat and dangled his cock in my face.

I sucked him good and hard until he was begging to fuck me.

I got in the doggy position and the husband pulled my cheeks apart and rammed his hard cock right up inside me.

His wife lay on the back seat and I licked up her pussy juice while I got fucked.

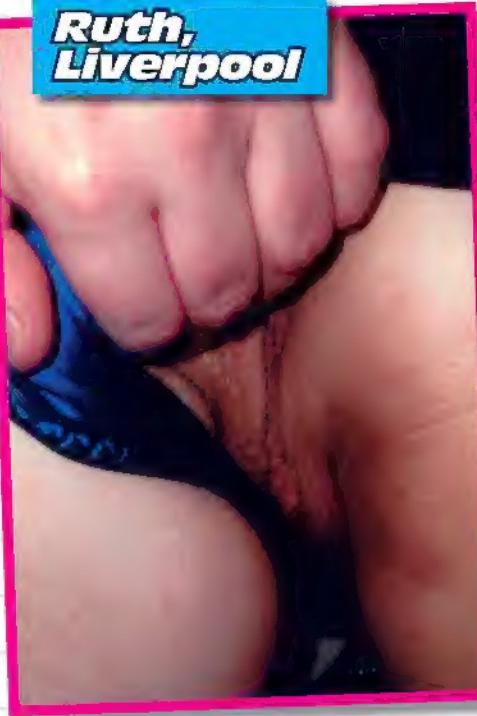

When he'd had enough of one hole he switched to my arse and fucked me there till I came. Then he pulled out and sprayed his cum on my pussy.

His wife was only too pleased to lick it off.

It's amazing to shag people you don't know – such a thrill. I recommend dogging to everyone.

girl's brains out!

"She's got a nice pussy, hasn't she?" said Cassie as Judy waved her arse and cunt in my face. "Why don't you fuck her pussy?"

I squeezed in behind Judy and rubbed my dick up against her snatch, then Cassie came round and took hold of my meat.

She rubbed my dick over Judy's cunt and arsehole, asking me if I'd ever fucked Judy in the arse (I hadn't). Then she pushed my dick inside Judy's cunt and fondled my balls as I fucked

my missus slowly. "I'm gonna stick his dick up your arse, Judy," Cassie said, rubbing Judy's clit and smearing Judy's pussy juice over her arsehole.

Cassie pushed my cock up Judy's arse, guiding me in and coaxing Judy to take it all the way. She was so tight it was all I could do to stop myself from fucking her hard and fast and shooting my cum up there immediately.

I was torn, I would have loved to spunk up Judy's anus, but I had been watching Cassie as she'd been toying with my nuts and Judy's clit and her face was dying to be spunked on.

I pulled out of Judy and Cassie took hold of my cock, wanking it into her face, her mouth open and ready.

I came across her cheeks, eyes and forehead. My spunk was everywhere!

Cassie stayed for the next three nights!

Jim, Lowestoft.
